

Visitation Inter-Parish School

Financial and Spiritual

Commitment Form 2010-2011

Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of working, but it is the same God who inspires them all in every one.
-1 Corinthians, 3-6

The Catholic School is the heart of the Church.

The mission of Visitation Inter-Parish School is to educate the whole child and to spread the message of the gospel. In order for this mission to continue, it is the responsibility of the parents to participate fully in the spiritual development of their children and to financially support the work of the Church through the school. We ask you to pledge your commitment to support the school and the education of your children.

We will live out our commitment to our parish school by:

- Registering in a parish.
- Proclaiming God's message by teaching gospel values and behaviors.
- Attending Sunday Mass each weekend and participating in the sacramental life of the Catholic Church.
- Building our school community by respecting all students and families.
- Giving quality time to our children.
- Annually completing a Stewardship Commitment Card in our parish.
- Fulfilling our stewardship commitment of time, talent and treasure to our parish as promised on the Stewardship Commitment Card.
