## Early Out System:

If we have an early release from school and do **not** have time to call each family, please indicate **if you need to be contacted** prior to releasing your student. This may be needed for young student(s) who may not have anyone at home or at a babysitter's if they arrive early. We will do the best we can to contact someone. Please indicate if you need to be on this list and/or need your student(s) held here until they can be picked up. This includes if you want to be contacted before sending your child home on regular transportation.

Send student on regular transportation (no contact needed).

Contact parent/guardian before sending on regular transportation.

Keep student(s) at school until contact with parent is made.
