

*Visitation Inter-Parish School
exists to create a Catholic learning environment
that nurtures the total persons in a family-like atmosphere.*

Dear Parents, Guardians, and Workers:

This letter is the annual notification to inform all concerned that Visitation Inter-Parish School has an Asbestos Management Plan in the school office, and it is available for review by appointment.

Our school has periodic surveillance performed every June and December, and the Diocesan Coordinator of Buildings and Properties does a reinspection of our facilities every three years. The last reinspection was completed in December of 2007.

All the asbestos that creates an immediate health hazard has been either removed or contained to provide a safe environment for our students and staff members.

Sincerely,

Linda Stuckenschneider
Principal of Visitation Inter-Parish School
