Dear Parents and Guardians:

Effective July 1, 2009, to June 30, 2010, all students within the Diocese of Jefferson City will be covered by a Student Accident Policy. This policy is a Full Excess Policy, meaning if a student injured due to a qualifying accident it will pay covered medical expenses not covered by the student's individual health insurance (deductibles, co-pays, coinsurance, etc.). The policy is administered by Maksin Group and underwritten by national Union Fire Insurance Company of Pittsburgh, PA. The maximum benefit amount per student is \$1,000,000.00 and the maximum benefit period is 730 days from the date of the accident. Covered students include preschool, kindergarten, elementary and junior or senior high school. All volunteers associated with diocese sanctioned/sponsored events and activities are covered along with CCD students. The Diocese of Jefferson City covers all of our Visitation students in case of an injury due to an accident while participating in Visitation Inter-Parish School activities.

The policy does not cover injuries occurring in non-school or non-Diocesan sponsored/sanctioned events. For example, injuries occurring while on a YMCA basketball or football team would not be covered; however, an injury occurring during Visitation School PE class would be covered.

In case of an accident, notify the principal immediately and request a claim form and guidelines for filing a claim. If you have additional questions, please contact James Neuner at Winter-Dent & Company in Jefferson City (1-800-769-3472 or 573-634-2122 or jneuner@winterdent.com).

If you are interested in purchasing additional accident insurance coverage for injuries not covered by the Diocesan policy, please contact Mr. Neuner at Winter-Dent & Company.

Sincerely,

Linda Stuckenschneider
Principal
